This presentation has been prepared by GMM Pfaudler Limited (the "Company") solely for your information and for your use and may not be taken away, distributed, reproduced, or redistributed or passed on, directly or indirectly, to any other person (whether within or outside your organization or firm) or published in whole or in part, for any purpose by recipients directly or indirectly to any other person. By accessing this presentation, you are agreeing to be bound by the trailing restrictions and to maintain absolute confidentiality regarding the information disclosed in these materials. The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any persons of such change or changes. This presentation and its contents are confidential and may not be copied, published, reproduced or disseminated in any manner.

This presentation may contain certain forward looking statements within the meaning of applicable securities law and regulations. These statements include descriptions regarding the intent, belief or current expectations of the Company or its directors and officers with respect to the results of operations and financial condition of the Company. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in such forward-looking statements as a result of various factors and assumptions which the Company believes to be reasonable in light of its operating experience in recent years. Many factors could cause the actual results, performances, or achievements of the Company to be materially different from any future results, performances, or achievements. Significant factors that could make a difference to the Company's operations include domestic and international economic conditions, changes in government regulations, tax regime and other statutes. The Company does not undertake to revise any forward-looking statement that may be made from time to time by or on behalf of the Company.

This presentation may contain certain supplemental measures of performance and liquidity that are not required by or presented in accordance with Indian GAAP, and should not be considered an alternative to profit, operating revenue or any other performance measures derived in accordance with Indian GAAP or an alternative to cash flow from operations as a measure of our liquidity.

In no event shall GMM or its directors or management, be responsible to any person or entity for any loss or damage, whether direct, indirect, incidental, consequential or otherwise, arising out of access or use or dissemination of information contained in this presentation, including, but not limited to, loss of profits.

No representation, warranty, guarantee or undertaking (express or implied) is made as to, and no reliance should be placed on, the accuracy, completeness or correctness of any information, including any projections, estimates, targets and opinions, contained herein, and no liability whatsoever is accepted as to any errors, omissions or misstatements contained herein and, accordingly, none of the Company, its advisors and representative and any of its or their affiliates, officers, directors, employees or agents, and anyone acting on behalf of such persons accepts any responsibility or liability (in negligence or otherwise) whatsoever arising directly or indirectly from this presentation or its contents or otherwise arising in connection therewith

This presentation is for general information purposes only, without regard to any specific objectives, financial situations or informational needs of any particular person. Readers must make their own assessment of the relevance, accuracy and adequacy of the information contained in this presentation and must make such independent investigation as they may consider necessary or appropriate for such purpose. | Cash and equivalents                 | 2,435  | 478   |
| Other assets (current & non-current) | 2,389  | 1,465 |
| Total Assets                         | 24,175 | 5,296 |

| Particulars                               | FY21   | FY20  |
|---|--------|-------|
| Shareholder's equity                      | 4,071  | 3,291 |
| Non-controlling interests                 | 1,233  | 0     |
| Debt                                      | 4,917  | 112   |
| Pension liabilities                       | 4,535  | 26    |
| Trade payables                            | 2,959  | 642   |
| Other liabilities (current & non-current) | 6,459  | 1,226 |
| Total liabilities and equity              | 24,175 | 5,296 |

- Strong liquidity with cash and equivalents of Rs 2,435 million
- Post acquisition net gearing of 0.5 times in FY21
- □ Credit ratings reaffirmed at CRISIL AA-/CRISIL A1+ with stable outlook in April 2021

### CASH FLOW SUMMARY

| Particulars                               | FY21  |
|---|-------|
| Profit before tax                         | 679   |
| Net cash from operating activities        | 1,567 |
| Net cash used in investing activities     | (659) |
| Net cash from financing activities        | 1,049 |
| Net increase in cash and cash equivalents | 1,957 |

Integration Update

## Project Apollo

Phase 1
Planning

- Senior management decided to initiate work on company-wide integration project
- Steering committee and PMO formed
- Project Apollo formally launched on March 1, 2021 and communication rolled out to all employees

Phase 2

Execution

- Define project charters and various workstreams
- Establish governance mechanism, targets and timelines
- Regular reviews by PMO and steering committee

Phase 3 Value Realisation

- Handover operational control to PMO
- Review and monitor progress on a regular basis
- Realise post-merger synergies of \$5Mn by FY24

# On Track to Achieve Synergies

#### Lean Production

Operational Excellence

Implement GMM's lean-production model across manufacturing sites to increase throughput

#### **EARLY WINS**

- Established and benchmarked baseline capacity in China
- Identified debottlenecking opportunities
- Implemented GMM end-toend planning model

### Steel Cost Savings

Value Sourcing

Leverage GMM's low-cost capabilities to increase market share and margins across the group

#### **EARLY WINS**

- Successful breakthrough in price sensitive European market
- Initiated sourcing of components from India
- Design standardization across multiple locations on-going

### Cross-Selling

Collaboration and Expansion

Capture customer wallet share through cross selling and product portfolio enhancement

#### **EARLY WINS**

- Packaging of products and manufacturing locations to create value proposition
- First Acid recovery order received in India
- Localization of Interseal for Indian market

### Outlook - India

- Growth momentum to continue with steady margins
- Robust order backlog across all business lines
- ☐ Focus on growing after-market business with addition of new service centers
- Leveraging Pfaudler's global network to increase exports
- ☐ Nacharam facility fully operational will add to Glass-lined capacity
- Vatva facility operational will be ramped up in phased manner
- Capacity expansion planned across all locations

### Outlook - International

- ☐ Focus on business stabilization and margin improvement
- Order backlog remains strong driven by capacity expansions in Europe and Americas
- All site relocations complete and manufacturing momentum picking up across all locations
- Integration and cost optimization initiatives in process
- Penetrate new markets through value sourcing and cross selling

### Standalone Results - FY21
